

Which goal in the circle is the most important to me? (Drag and drop the green circle)\_\_\_\_\_

How can I behave according to it at school? \_\_\_\_\_

---

Which goal in the circle is the second most important to me? (Drag and drop the yellow circle) \_\_\_\_\_

How can I behave according to it at school? \_\_\_\_\_

---

Which goal in the circle is the least important to me? (Drag and drop the red circle) \_\_\_\_\_

How can I make sure I don't behave according to it at school? \_\_\_\_\_

---

Talk with your friends to come up with more ways of behaving according to your important goals in life. Can you give your friends ideas about how to behave according to the goals that are important to them?

Look at the goals directly opposite in the circle to your most important ones. Usually, people don't try to follow opposite goals. Can you see why?
